TO: See Distribution Below

Author: Andrew Senior

Subject: John Cushnie

The infamous Cush is getting married on 23-MAR-96 to Jane Iddon, his architypal "girl next door" (Blackpool, not Munich) who skis like a monster and has long blonde hair. Needless to say, he is chuffed.

For good reasons or bad, he has chosen me (from hundreds) to be his Best Man, and so, amongst other things, I'm helping organise his Stag Weekend. Anyone who has ever had the dubious fortune to cross his path is invited, the distribution list below is only a first stab, so please pass on the details to anybody I have missed.

Outline plans are just in :

Date : Fri 16-FEB-96 to Sun 18-FEB-96  
Location : Claichaig Inn, Glencoe Village, Nr. Fort William  
01855-811252  
Accommodation : Claichaig / B&B / camping  
Activities : Skiing in Glencoe resort  
(or Mountain-biking/walking/drinking)

Obviously, no prancing about woosy behavior in frilly blouses will be tolerated in situ.

Thanks,  
Andy Seens.
